MESOGIOS - DE 21 ANI ALATURI DE VOI

Ne-am imbarcat in aceasta frumoasa calatorie acum 21 de ani, cu o mana de profesionisti tineri si entuziasti, multi dintre ei fiind si acum parte din aceasta echipa minunata.

Povestea Mesogios a inceput dintr-o dorinta pretioasa, care a devenit promisiunea noastra de-a lungul timpului: aceea de a prezenta intotdeauna produse proaspete de peste si fructe de mare de cea mai buna calitate. Meniul nostru reflecta filozofia si conceptul Mesogios, in care simplitatea, alaturi de prospectimea ingredientelor, sunt elemente cheie in menirea standardelor cu care ne-am obisnuit clientii inca de la inceput.

In compania cea mai buna, cu un vin bun alaturi, intr-o locatie aristocratica cu o atmosfera relaxata si primitoare cu farmec Mediteranean, timpul petrecut la Mesogios va transforma o simpla iesire in oras intr-o experienta de neuitat, aici fiind locul perfect pentru un pranz sau o cena de afaceri, dar si pentru o intalnire romantica sau o masa delicioasa alaturi de prietenii, departe de agitatia orasului, intr-o oaza de liniste si verdeata.

La Mesogios dezvaluim meniul chiar de la intrare, printr-o vitrina ce ne duce cu gandul catre apele cristaline ale Mideranei, unde pestele si fructele de mare asteapta sa fie alese, gatite si prezentate intr-un curcubeu de texturi si arome nemaintinute. Ne mandrim cu o traditie culinara desavarsita de-a lungul anilor, recunoscuta si premiata de specialisti intr-ale bucatariei, insa cel mai mult ne mandrim cu aprecierile clientilor, care se intorc de fiecare data cu aceeasi bucurie.

Mesogios este despre bucuria cu care traim momentele speciale si celebram fiecare zi cu preparate desavarsite, prin incantarea simturilor si a gusturilor.

MESOGIOS ~ FOR 21 YEARS BY YOUR SIDE

We embarked in this beautiful journey 21 years ago, with a handful of young and enthusiastic professionals, many of them being, to this day, part of our wonderful team.

The story of Mesogios started with a valuable desire, which became our promise over time: that of always presenting fresh fish and seafood of the best quality. Our menu reflects both the philosophy and the concept of Mesogios, in which simplicity, alongside the freshness of our ingredients, are key elements in maintaining the high standards with which our guests got accustomed since the very beginning.

In the best company, with a good wine aside, in an aristocratic establishment with a relaxed and welcoming atmosphere and a Mediterranean charm, the time spent at Mesogios will transform a regular night out in an unforgettable experience, Mesogios being the perfect spot for a lunch or a business dinner, and for a romantic date or just a delicious meal among friends, far from the bustle of the city, in an oasis of calm and greenery.

At Mesogios we reveal the menu right from the entrance, through a display that reminisces us of the crystal clear water of the Mediterranean Sea, where the fish and the seafood are waiting to be selected, cooked and presented in a rainbow of outstanding textures and aromas. We take great pride with a culinary tradition that was perfected over the years, recognized and awarded by the specialists, but we are most grateful for the appreciation of our guests who are always returning with immense joy.

Mesogios is all about the delight of living the special moments and celebrating every day with the perfect dishes, through enchanting the senses and the tastes.
